TULSA LAWYER EXECUTED BY VILLA TROOPS

John W. Cunningham, Local Attorney, Is Believed to Have Been Killed.

WAS LOOKING AFTER HIS MINE INTERESTS

Two Other Americans Were Taken Prisoners With Him; Well Known.

IS TILISA LAWYER.

John W. Cunningham, reported to be held a prisoner in Mexico. Sea prominent Tulsa attorney. He was associated in the law business here with George D. Key. must Mr. Key moved to Onla-homa City several months ago. His wife, who is here, said hast night that Mr. Cunningham left about two weeks ago to look after naming interests in Mexico. Mrs. Conting ham has received one let-for from him. Mrs. George D. Co. of Okinhoma City, who is here elsting Mrs. Contingham, is a sister of the man held pris-

Much anxiety was felt by the two relatives last night. Muto telephone calls were received at The World from friends of the prisoner-lawyer inquiring of him.

DOUGLAS, Ariz, Des. 2.—Friends leve of John W. Cunningham, writing attorney of Talsa, Okta, who is reported to have been captured by Ville forces, expressed fear tonight that he had been executed. Mr. Cunthat he had been everified. Mr. this property and two other Americans, the partial two other Americans, the partial Garden Achiebe scortherd, were list seen Monday while they left. Fromerus for La was given the decision over "Sallor" Chamin, 15 miles north of Nacczeri.
The road the three Americans would have had to follow leads directly into a carryon through which a

Villa detachment under 6c0, Pabli-Lency was moving north at the time, H. W. Loomis, an American mining man, reported killed during the Villa investor of Sonora, returned here Taesday. He said that he met Cunningham. Hendrickson and a third American presumably Southerd, Monday afternoon at Esqueda, which was been appointed to the ring deliverable of Monday afternoon at the said to the Villa crimy blows to the wind and sending upied Monday night by the Villa-

Carranza authorities at Agua Prieta, opposite here, are making an investi-gation for the purpose of ascertaining whether any bodies of Americans were seen by troops as they marched north-ward from Nacozari, or whether any word concerning the fate of the three Americans had been received.

MANN NOMINATED

In the military and havel committees atruck which might have been a from a non-partian standpoint, pro-vided the Democrats are willing to and most of these were delivered by beans calling to every contract of these were delivered by beans calling to every contract of these were delivered by beans calling to every contract of the second and then ask the Republicans to ac-

cept it as nonpartisan." Representative Connon in his Representative Cannon in his speech nonlingating Representative Mann declared that the Republicans all agreed on the necessity of enactions from the spectator's standpoint tory from the spectator's standpoint ment of new economic legislation.

MUST PAY A FAIR PRICE FOR SISAL

WASHINGTON, Dec. 2.—Victor Tendon representing the government of the state of Yucatan, Mexico, ac-companied by his counsel, called on Counsellor Polk at the state depart-ment today and again answered protests made by the International Harvester company and the Plymouth royal between five young negroes who nothing he provided great amusement for the and pride. First of sisal through a legalized association

price of twine because the fiber growers demand fair prices for their product, it would result in the estab-lishment of factories by the Yucatan government commission.

TWO KILLED IN A COLLISION.

WACO, Texas, Dec. 2.—John F. Bautz, teacher.
Collins, 52, and W. W. Phillips, 61. Miss Bautz first taught the study well-to-do farmers living near Kirk, occasionally to her younger pupils. It miles southeast of her, were inautomobile in which they were rid-ing. The bodies, which were horribly tire day every week to the subject

engine went 'dead" on the track.

RODE SEVEN MILES ON A BERNING CAR.

CEDAL BAPIDS, Dec. 2—Express dissenter C. H. Bronzon and helper, F. W. Howe both of Chlorge, rose the seven in the lever Marian and Paralta today, clinging to the fron step of a blacing Chlorge, Milwaukee & St. Paid express car with the fatnes from the barning interior blows into their noises by the rush of the train. Hoth had sustained severe barns when the fire was discovered.

The tire, which is supposed to have originated in a pile of moving picture films, destroyed the car and its concerns the least being estimated, express efficials say, at hetween \$50,000 and \$75,000. One thousand dollars in silver which had just been removed from a safe by the messenger was recovered from the mass this was recovered from the ruins this evening, a method mass. Thirty thousand dollars in currency in another safe was found to be

It was impossible for Bronzon and Howe to signal the train to stop and its speed made lamping sure doub. The flanding car was risched into Marion and side tracked. The Iwo men were taken to a bosoital. taken to a hospital.

KIRK GOT DECISION OVER SAILOR DAVIS

midway of the fourney; he has been robbed by his own at the very start.

But what, exactly, should these memories of home he? Just what should we give the child to remember? Are there any particular standards that we can agree on?

First of all, he should have the memory of a home where life was healthfully red from a purely material and physical standards.

The homes in which rules of health are not observed, in which the children are not properly fed, in which in that it was almost beyond comparing the denomination by the denomination that it was almost beyond compared to memory and waith the denomination between the denomination of a great south in numbers of homeless congregations.
